

# Del Mar

## SPECIFICATIONS:

### Housing:

Corrosion resistant, Weather Tight Unit fabricated from spun Aluminum .080" Thick, Full Gasket Keeps out insects and Water.

### Lens & Removable Door Assembly:

Hinged Door Assembly Formed from One Piece spun Aluminum .080" Corrosion Resistant Aluminum With Stainless Steel Fasteners. The Lens is A Clear 1/8" Tempered Flat Glass, Secured By Galvanized Lens Clips and Sealed With Silicone Gasket To Ensure Protection From The Harsh Environment.

### Electrical Assembly:

HID ballast constant wattage auto-transformer high power factor core and coil type, rated -20 degrees Fahrenheit starting temperature. Integrally Mounted in the luminaire and completely prewired. Each ballast assembly is thoroughly tested prior to shipment. Ballast And Electrical Components are "UL" Listed.

### Lamp Socket:

Porcelain Socket pulse rated for HPS, MH, PS & CFL lamps. Lamp included.

### Finish:

Thermoset Polyester Textured Powder Coat Finish, Chemically Pretreated Through a Multi-Stage Washer, Oven Baked at 400 Deg. Fahrenheit to insure Maximum Adherence.

**SPECIFICATIONS:**

**Housing:**

Heavy-Duty cast and spun aluminum with fabricated aluminum bar construction in a manner to maintain a weather tight seal.

**Lens:**

Door assembly formed from one piece spun aluminum .080" corrosion resistant aluminum with stainless steel fasteners. The lens is A clear impact-resistant acrylic with glass refractor, secured by galvanized lens clips and sealed with silicone gasket to ensure protection from the harshest environment.

**Electrical Assembly:**

HID ballast constant wattage auto-transformer high power factor core and coil type, rated -20 degrees Fahrenheit starting temperature. Integrally Mounted in the luminaire and completely prewired. Each ballast assembly is thoroughly tested prior to shipment. Ballast And Electrical Components are "UL" Listed.

**Lamp Socket:**

Porcelain Socket pulse rated for HPS, MH, PS & CFL lamps. Lamp included.

**Finish:**

Thermoset Polyester Textured Powder Coat Finish, Chemically Pretreated Through a Multi-Stage Washer, Oven Baked at 400 Deg. Fahrenheit to insure Maximum Adherence.

One, two or three shades, base down or up

### Housing:

Housing and Hood Made of Durable Spun corrosion Resistant Aluminum Construction, Fully Gasketed to Maintain Weather Tight Seal.

### Lens:

Clear Acrylic Diffuser, Louvered Optical Stack, Bright Dipped Anodized Louver Assembly, Provides Wide Light Distribution and Precise Cutoff.

### Reflector:

Underside of Hood is Powder Coated Specular White for maximum light Distribution

### Electrical Assembly:

HID ballast constant wattage auto-transformer high power factor core and coil type, rated -20 degrees Fahrenheit starting temperature. Integrally Mounted in the luminaire and completely prewired. Each ballast assembly is thoroughly tested prior to shipment. Ballast And Electrical Components are "UL" Listed.

### Lamp Socket:

Porcelain socket pulse rated for HPS & MH lamps. lamp included.

### Finish:

Attractive dark bronze, white, black polyester powder coated finish for excellent impact, corrosion and UV resistance

## SPECIFICATIONS:

### Housing:

Corrosion Resistant Cast Aluminum Alloy .188" Wall Thickness

### Glass Lens:

The Lens is a Clear Tempered Flat glass, Secured by Galvanized Lens clips And Sealed With silicon Gasket to Ensure Protection From the Harsh Environment.

### Optics:

A Horizontal Segmented Reflector With Specular Aluminum finish or glass Refractor types III or IV.

### Electrical Assembly:

HID Ballast constant Wattage Auto-Transformer High Power Factor Core and coil Type, Rated -20 Degrees Fahrenheit Starting Temperature. Integrally Mounted in the Luminaire and Completely Prewired. Each Ballast Assembly Is Thoroughly Tested Prior To Shipment. Ballast and Electrical Components Are "UL" Listed.

### Lamp Socket:

Standard Porcelain Socket Pulse Rated For MH, HPS Socket.

### Finish:

Chemically pretreated through a multiple stage washer, thermoset polyester textured Powder Coat min. 2-4 mil. Thickness. Oven baked at 400 degrees Fahrenheit to insure maximum adherence.

# San Marino

## SPECIFICATIONS:

### Housing:

Die-cast aluminum construction, stainless steel hardware, Full Gasket housing protects from the harshest environment.

### Lens & Door Assembly:

Door assembly formed from one piece die-cast corrosion resistant aluminum. The lens is A clear 1/8" tempered flat glass, secured by galvanized lens clips and sealed with silicone gasket To ensure protection from The harshest environment.

### Electrical Assembly:

HID ballast constant wattage auto-transformer high power factor core and coil type, rated -20 degrees Fahrenheit starting temperature. Integrally Mounted in the luminaire and completely prewired. Each ballast assembly is thoroughly tested prior to shipment. Ballast and electrical components are "UL" listed.

### Lamp Socket:

Socket is a glazed porcelain socket pulse rated for HPS & PS lamps. Lamp included.

### Finish:

Thermoset polyester textured powder coat finish, chemically pretreated through a multi-stage washer, oven baked at 400 Deg. Fahrenheit to insure maximum adherence. Finish is guaranteed for two (2) years.

**DIMENSIONAL DRAWINGS**

**SPECIFICATIONS:**

**Housing:**

Heavy-Duty spun aluminum housing and shade construction in a manner to maintain a weather tight seal.

**Lens:**

Hood assembly formed from one piece spun aluminum .080" corrosion resistant aluminum with stainless steel fasteners. The lens is A clear impact-resistant acrylic, secured by galvanized lens clips and sealed with silicone gasket to ensure protection from the harshest environment.

**Electrical Assembly:**

HID ballast constant wattage auto-transformer high power factor core and coil type, rated -20 degrees Fahrenheit starting temperature. Integrally Mounted in the luminaire and completely prewired. Each ballast assembly is thoroughly tested prior to shipment. Ballast And Electrical Components are "UL" Listed.

**Lamp Socket:**

Porcelain Socket pulse rated for HPS, MH, PS & CFL lamps. Lamp included.

**Finish:**

Thermoset Polyester Textured Powder Coat Finish, Chemically Pretreated Through a Multi-Stage Washer, Oven Baked at 400 Deg. Fahrenheit to insure Maximum Adherence.
